

## Claratus Financing: Making it easier for you to acquire the ProCleanz solution your business needs.

Meeting health and safety, environmental and legislative concerns, whilst maintaining cleanliness and hygiene of your estate is key to your business, but with multiple pulls on your working capital, how do you afford to invest in our leading technology?

To assist, ProCleanz has partnered with Claratus Commercial Finance to offer flexible payments options to cover all the upfront costs of our solution. Payment can be spread over time, accelerating Return on Investment and avoiding the large upfront costs that may restrict you from being able benefit from the latest technology.

### **Benefits of Financing with Claratus:**

**Cash-Flow Management** – By spreading the cost of your ProCleanz solution, cash is preserved to use in other areas

**Accelerated Return on Investment** – Better aligns payment with the benefits your solution delivers

**Alternative source of Unsecured Credit** – Our facilities have no impact on your existing funding options, preserving your credit lines

**Tax Efficient** – For businesses, all payments on a lease agreement are fully tax deductible against your operating profits

### **Types of Financing**

Various structures are available, including leases, hire purchase and loans. Funding can be supported by the Recovery Loan Scheme where appropriate, please speak to us, see our website - [www.claratus.com](http://www.claratus.com) – or visit the British Business Bank website for further details on the RLS - <https://www.british-business-bank.co.uk/ourpartners/recovery-loan-scheme/>
